## Proclaimers

### Pattern 1(verse)

Electric Guitar

E E A B E

### Pattern 2(chorus)

*s* E E A B

These patterns are repeated over and over...use your ears to anticipate the pattern changes.

All these chords can be played using 'power chords'.

Try to mute the strings after each chord brush.

Listen out for the 'cadence' halfway through with; C# F# B E chords.

The electric bass follows the root notes of each chord.
