Chord progression for Chorus: Eb, B, Gb, Ab, Bb

pre-chorus

Chord progression for Pre-chorus: B, Db, Ab, F, Gb, Bb

This song is from their first album 'hybrid theory' recorded in 2000.

There are several guitar parts on the track so chord lead sheet is shown.

Play chords on guitar as power chords finding a rhythm that fits.

Bass follows the same pattern and uses a eighth note pattern.

One of the guitar parts is using a dropped tuning.
